

ACADEMY

If you are a **fresh college graduate** or still **student**, but you haven't worked so far and have no experience, you can participate in our **internship programs**.

Internships have become nowadays an imperative activity for students. Without the experience provided by this programs, any graduate has difficulty when they start to look for a job.

Let's know each other:

DN AGRAR has an experienced team, motivated by the achievements we have till now and in the same time by our objectives for the future. We are a team that generate constructive ideas, based on a constant interaction and collaboration in the idea of continuous development in all respects.

" We invest because we want to stay here to sell here and win together: DN Agrar and Romania". (Jan de Boer)

Our company offers the possibility of developing a successful career in a company that provides stability and a professional environment. Our internship program is based on the need for students to gain work experience and to evaluate their knowledge before completing their studies.

At DN Agrar we have different activities, so the students can occupy internship positions, depending on the area of interest, in all our departments

- **Livestock farming**
- **Topography**
- **Agriculture**
- **Accounting**

This program takes place during the academic year and summer vacation.

DN Agrar offer you a unique opportunity to:

- Become part of our team from the beginning of the internship program
- An experienced colleague will become your mentor and help you to integrate easier to understand your tasks
- Practice your skills and theoretical knowledge in a challenging environment
- you'll improve your interpersonal skills and teamwork
- We offer you support in preparing the graduation assignment
- Evaluation and recommendation letter from the company

If you identify with at least one of the following criteria we want to meet you:

- Teamwork
- Efficient
- Innovative
- Competitive
- Professional

In case you choose to join our team from the farm in Gârbova (Jud. Alba) we offer you the possibility of accommodation at student prices. If your dreams are much bigger, with our help you can have a practical stage in one of our farms in Germany.

Together with us you make the step from a good to an excellent CV.
